Hospital Staff Thanks Sorority for Donation

The recent donation of a new anesthetic machine to Harbor General Hospital brought an announcement of appreciation by the staff yesterday.

Alpha Phi Alumnae of the South Bay area were thanked for the Flouthene Vaporizer by A. L. Thomas, administrator.

Thomas reports that the hospital is now able to use a relatively new anesthetic agent especially valuable for chest surgery and children's operations.

The Alpha Phi gift advanced the date that the hospital could obtain the anesthetic by a couple of years.

Mrs. David Nybert, philanthropy chairman, in charge of arrangements, states that the Harbor Hospital was chosen as it accommodates the largest number of heart patients in the area not able to afford private care.

Presentation of the machine was made by Mrs. Louise Sooy, and Mrs. George Moll, past president.

Mrs. Sooy's class on personal appearance and her first prize winning at the St. Francis Episcopal Church Table Contest Tea were responsible for a large part of the \$100 donation.

Nationally the sorority supports the February Heart Fund that provides aid for blue babies, convalescents and research.

All alumnae chapters in Southern California council combine to support an Alpha Phi booth at the Doll Fair each November.

Doll Fair earnings go to the convalescent wing of Children's Hospital where the majority of patients are victims of rheumatic heart disease.
